ACHIEVEMENTS

Recipient of the MEXT
Scholarship

Thanks to hard work and persistence, I was able to achieve my goal of studying abroad at a top university with a fully funded scholarship.

3rd place at the Tohoku Regional
Collegiate Basketball
Championship

I acted as the captain and starting power forward for the Tsuruoka College basketball team, where we were able to finish in 3rd place at the Tohoku Regionals. Through this experience, I am most proud of the trust and lifelong bonds developed with my teammates as we worked, united, towards a common goal.

Silver medalist at the National
English Olympiad of Mongolia

Having competed with the best students across Mongolian high schools, I was able to get second place at the National English Olympiad of Mongolia. Fond memories of staying late at school preparing for the olympiad alone, and the satisfying moment when the results were released will always serve as a reminder that discipline and dedication are rewarded.
